Creation

Creation

In the beginning, God created the angels, then the Earth and the sky and the whole universe. It was an awesome and beautiful creation! The Earth became the home of the archangel Lucifer and some of God's angels. But then, Lucifer rebelled against God. This evil angel became Satan the devil. The devil took the Earth God had created and destroyed it. God worked for six days and six nights to put life back on Earth and to create something new: people!

On the first day, God divided the light from the darkness. He called the dark time "night" and light time "day." On the second day, God separated water into the clouds in the sky, the air we breathe, and the oceans on the Earth. On the third day, God lifted dry land up out of the middle of the oceans and covered the land with plants and trees. On the fourth day, God created the seasons by causing the sun, moon and stars to give light again, marking the days, months and years. On the fifth day, God made the birds and all the creatures that swim in the sea. On the sixth day, God made all the land animals first, then He created people! First God created a man, named Adam. Then God created a wife for Adam. Her name was Eve. All the animals were made to look like their own kind, but Adam and Eve were created to look like God! After the sixth day, God's physical creation was finished. On the seventh day God rested. He didn't rest because He was tired. He rested to bless this day and make it holy for people like Adam and Eve and your family and you! God named the last thing He created, the seventh day, the Sabbath.

The First Day: Night and Day
Find pictures of night and day in a magazine.
Cut out pictures of night and paste them on the left side
of this box; put pictures of day on the right side.

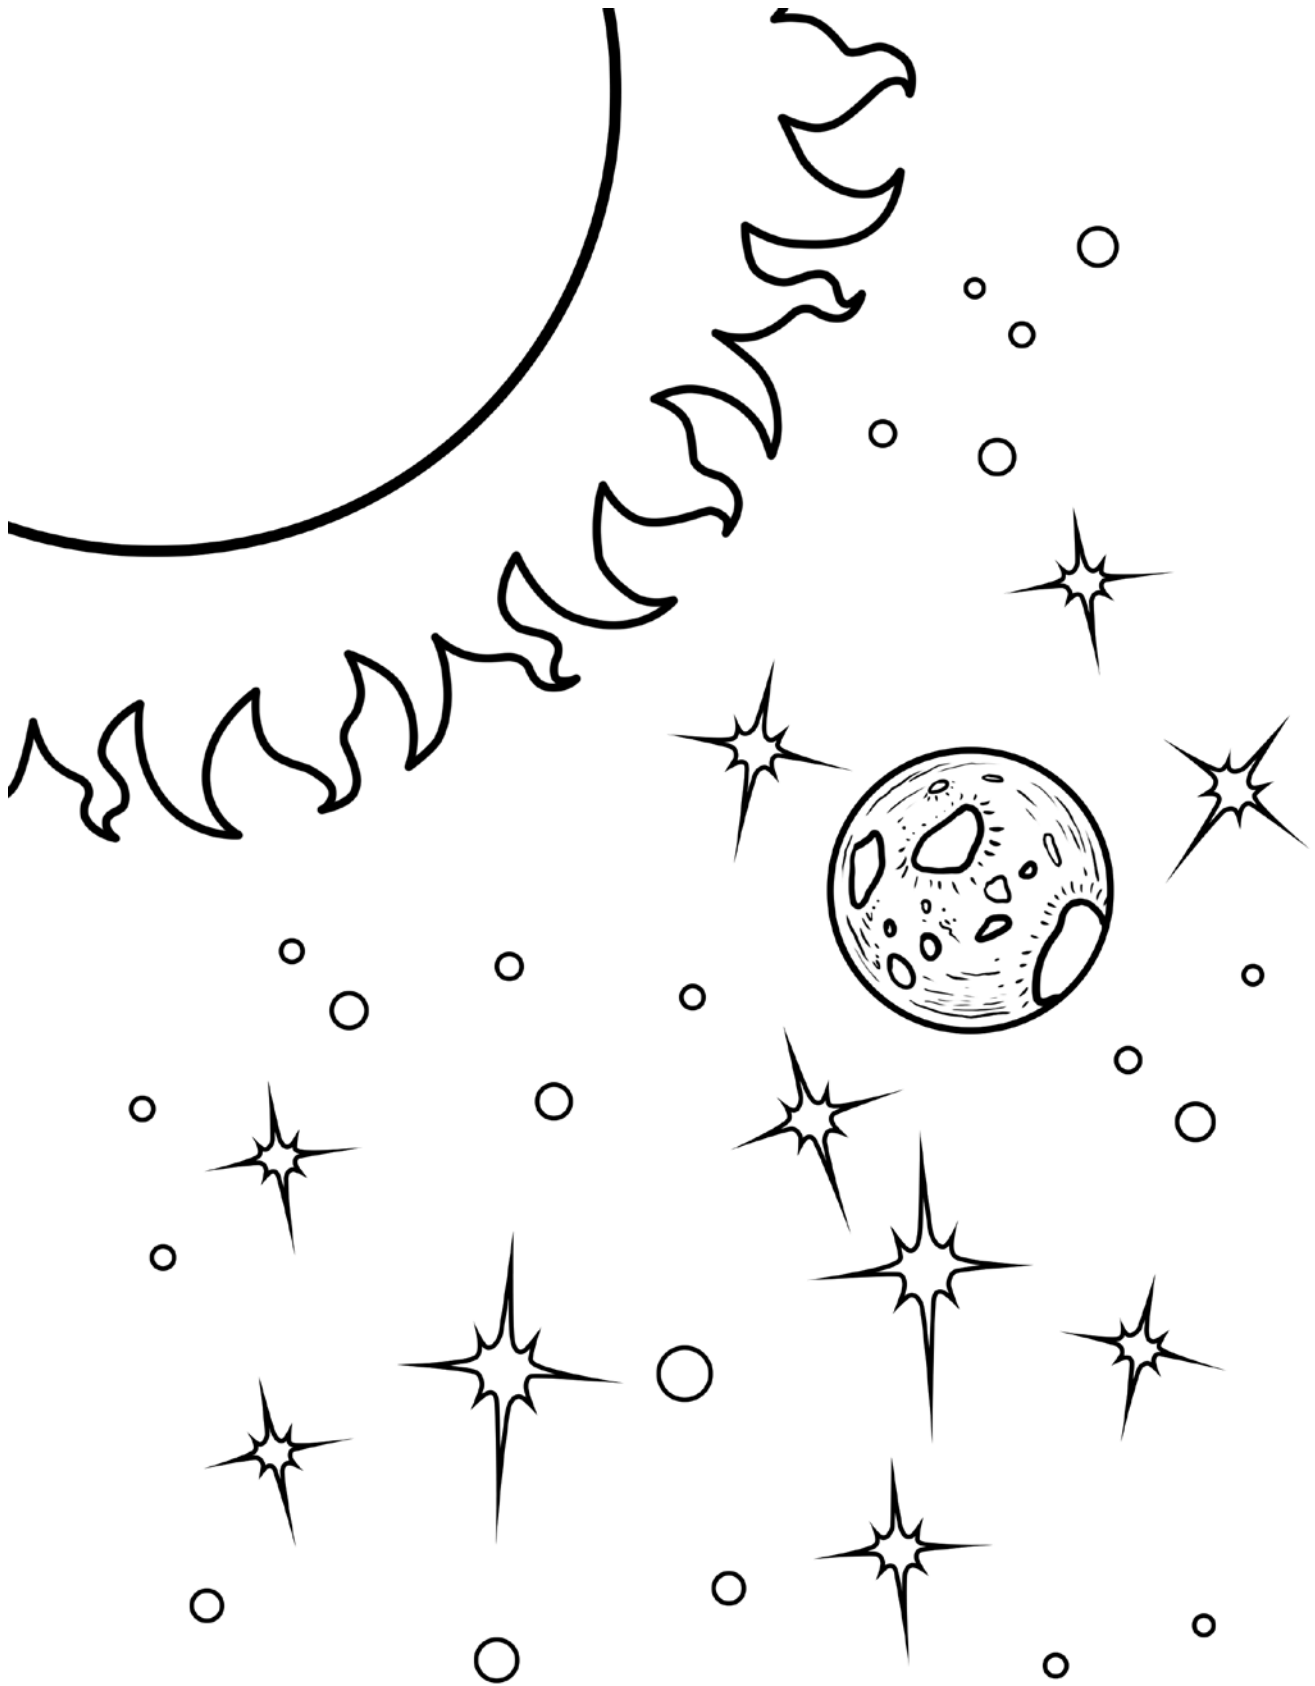

ILLUSTRATIONS: MELISSA BARREIRO

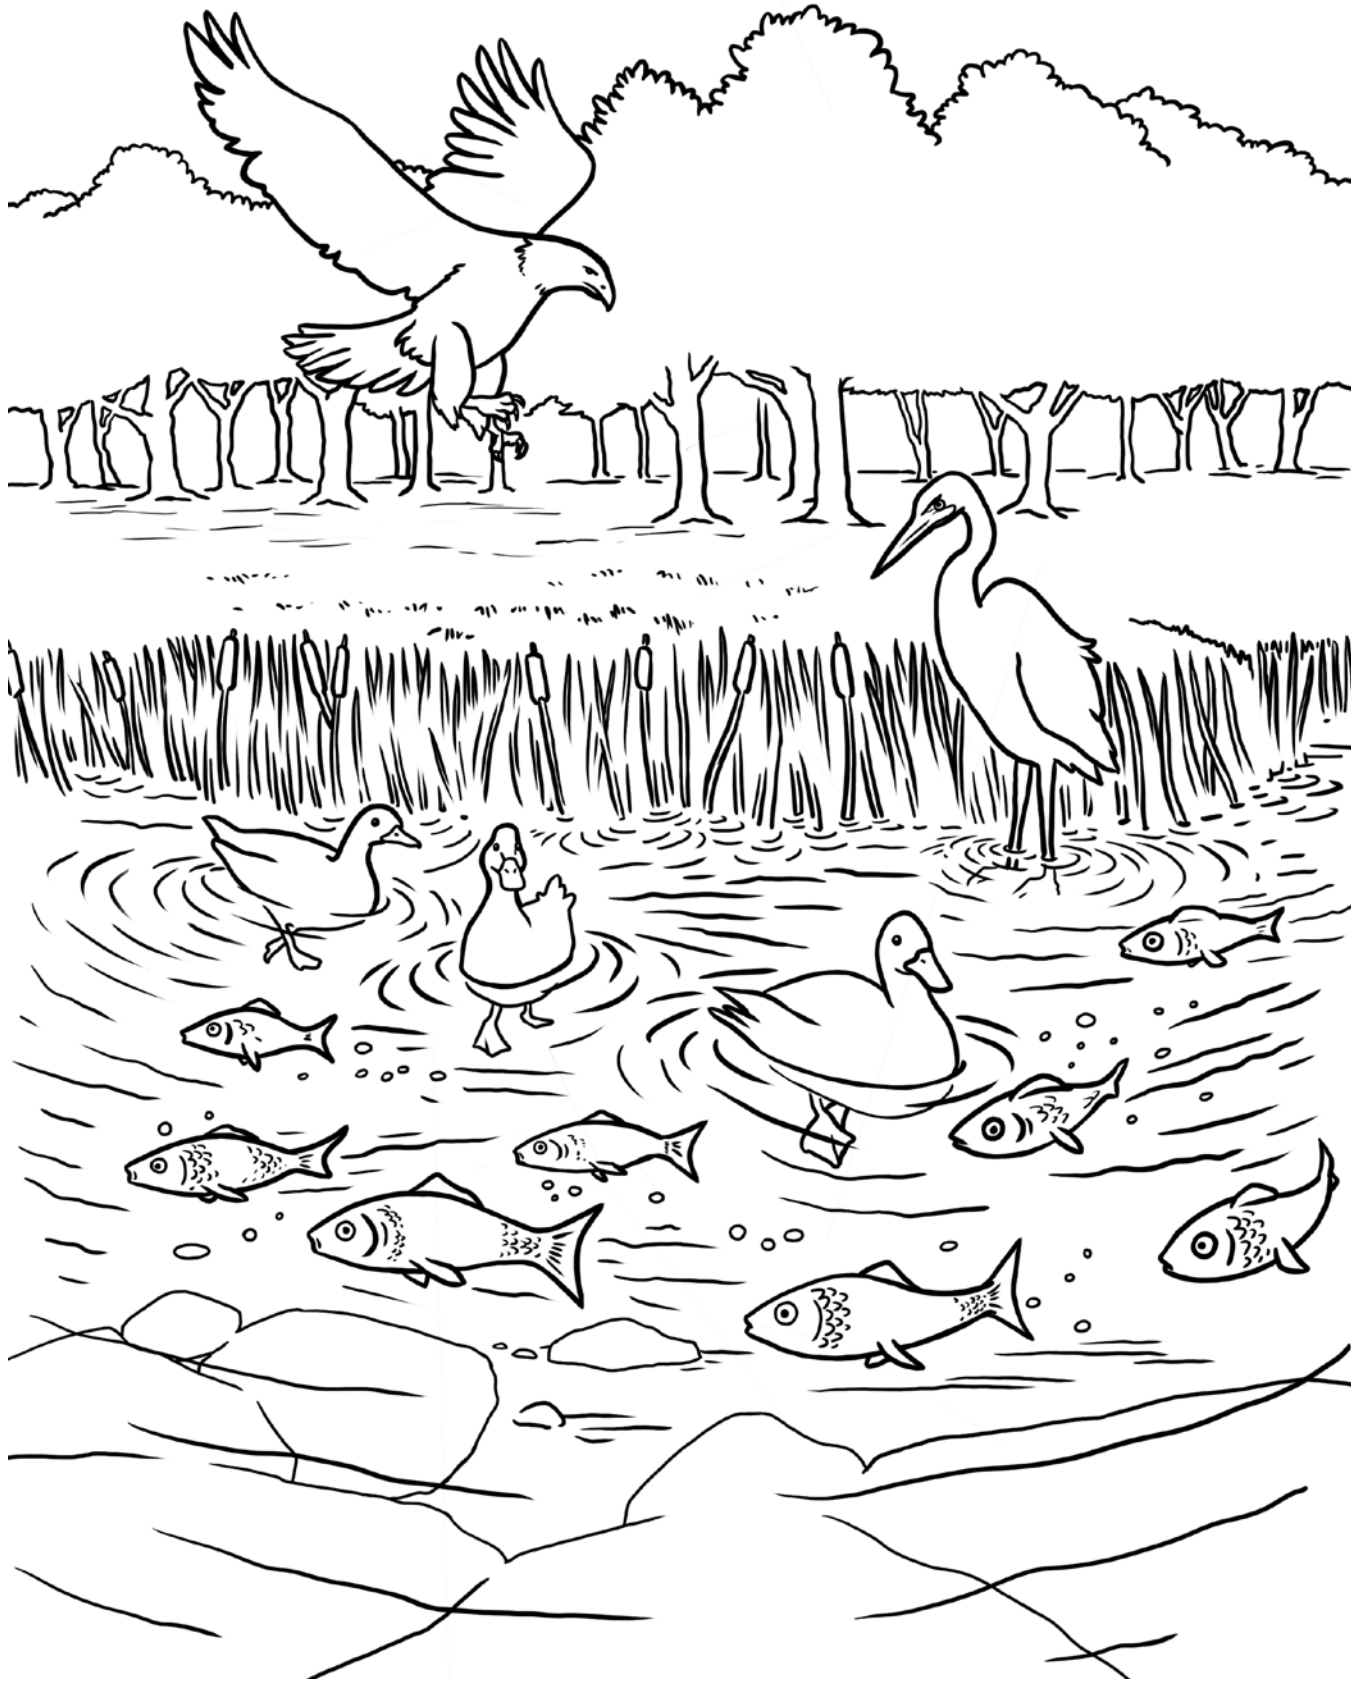

The Second Day: The Air We Breathe

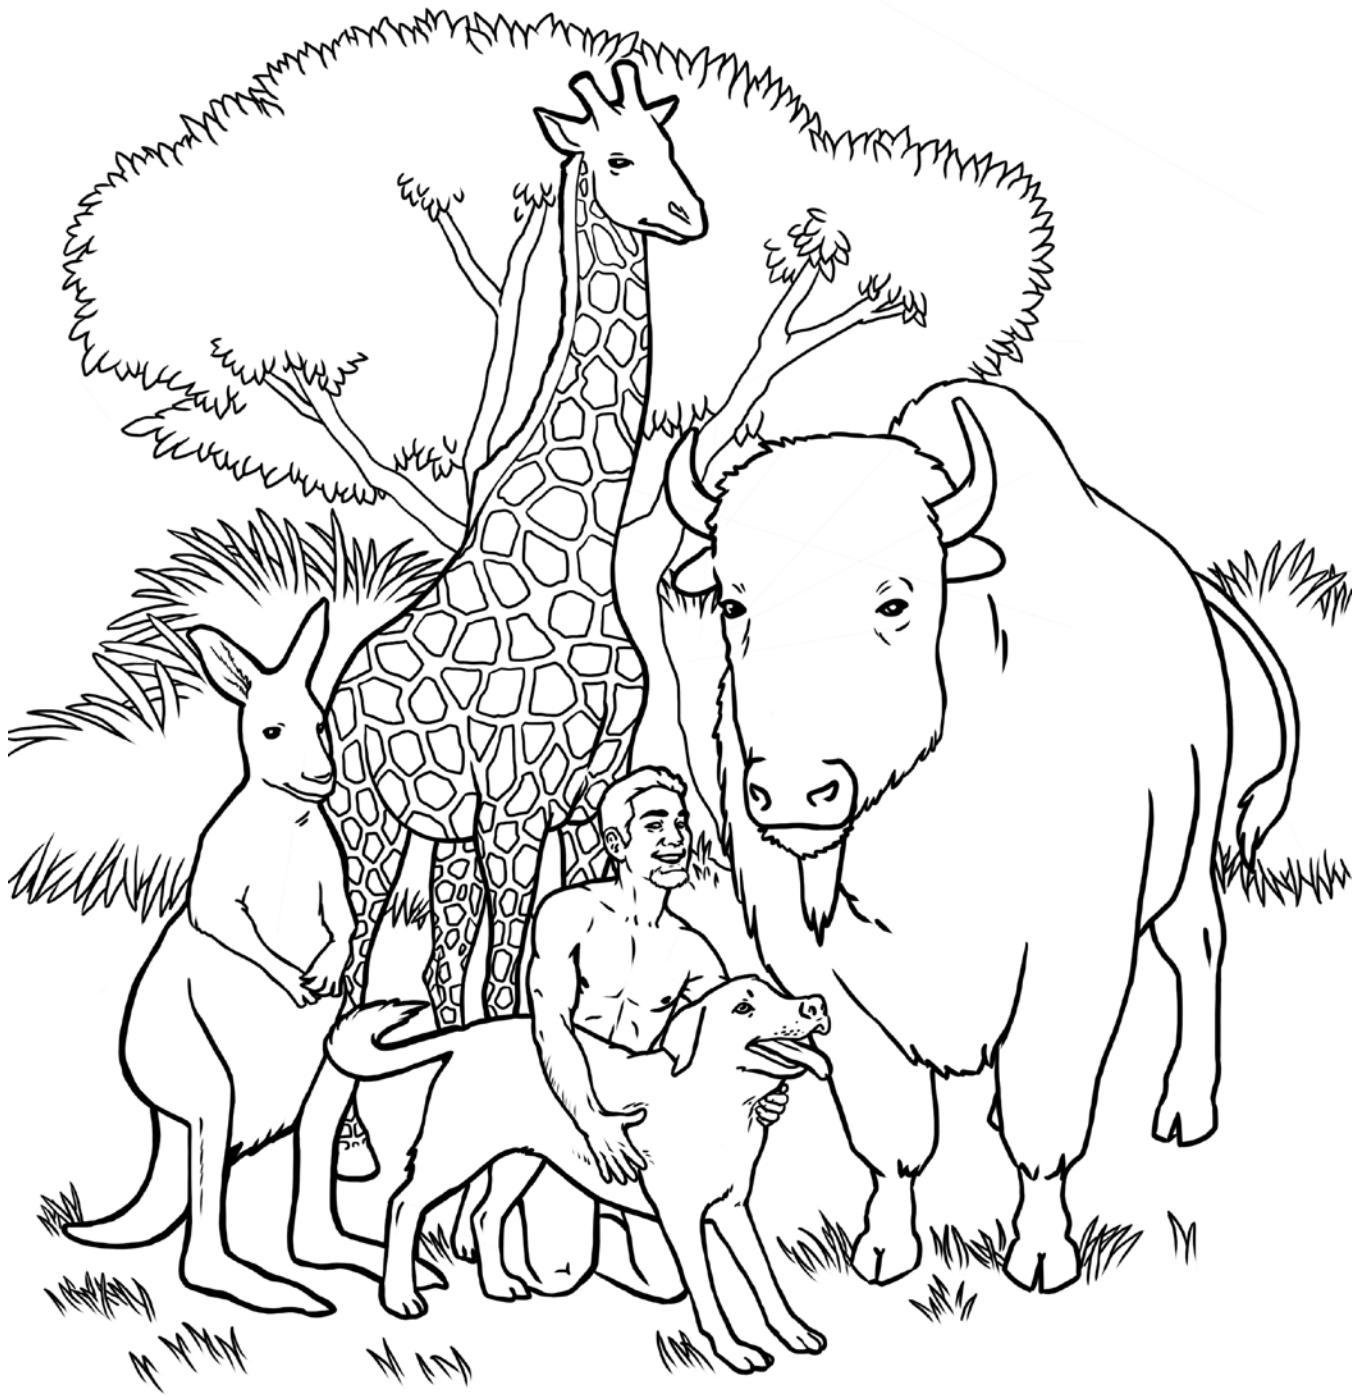

The Third Day: Dry Land and Plants

The Fourth Day: Sun, Moon and Stars

The Fifth Day: Birds and Sea Creatures

The Sixth Day: Land Animals and Man

The Seventh Day: The Sabbath
In this box, paste pictures of people resting.

Cut out pictures from a magazine that show what God made on each day of creation week, and paste them in their appropriate boxes.

What is this animal?

BIBLE MEMORY Re-creation Week

On the first day, God separated light from darkness.

On the second day, God separated the clouds from the oceans and cleansed the air.

On the third day, God caused dry land to appear and created all the plants.

On the fourth day, God caused the sun, moon and stars to mark the passing of time.

On the fifth day, God made all the birds and sea creatures.

On the sixth day, God made all the land animals and mankind.

On the seventh day, God made the Sabbath by resting from His work.
